

# 9 Tracer entre plusieurs lignes

Compte les interlignes pour tracer au bon endroit.

★ Continue les tracés en respectant les hauteurs.

Tracing practice on a four-line grid. The first row contains a sequence of circles of varying heights: small, medium, large, medium, small, large, medium. The second row contains a sequence of vertical bars of varying heights: short, medium, tall, short, medium, tall, short.

★★ Entoure les erreurs de Gribouillou puis continue.

Tracing practice on a four-line grid. The first row shows the letter 'D' with a dot on the left. The first two 'D's are correctly formed. The third 'D' has a dot on the right. The fourth 'D' is a mirror image. The second row shows the letter 'h' with a dot on the left. The first two 'h's are correctly formed. The third 'h' has a dot on the right. The fourth 'h' is a mirror image. The third row shows the letter 'p' with a dot on the left. The first two 'p's are correctly formed. The third 'p' has a dot on the right. The fourth 'p' is a mirror image.

★★★ Recopie les formes en respectant les hauteurs.

Tracing practice on a four-line grid. The first row shows a lowercase 'u' at the beginning and end. The second row shows a lowercase 'b' at the beginning and end. The third row shows a lowercase 'f' at the beginning and end.

Continue la frise selon le modèle.

A grid for a pattern activity. The first three rows have a pattern of shaded and unshaded squares. The first row has shaded squares in columns 1, 3, 5, 7, 9. The second row has shaded squares in columns 2, 4, 6, 8, 10. The third row has shaded squares in columns 1, 3, 5, 7, 9. The rest of the grid is empty.
